The Vallemar Parent Teacher Organization (PTO) is the cooperative effort of many generous members of our school community, all dedicated to providing students with a high quality educational experience. **The best way to directly support your children's school financially is through a donation to the Vallemar PTO.** All of the funds raised go directly toward enriching the experience of our kids. The Vallemar PTO helps fund the enrichment programs that make Vallemar School special – including library, computer, art, music and physical fitness --- spending approximately **\$250** per student per year. Without PTO funding, these programs would not exist.

Membership donations are tax-deductible to the fullest extent allowed by law, please check with your tax advisor. Many companies will match their employee's contributions, please check with your company's human resources department.

Thank you very much! And, your children thank you too.
